

212 AX360 GRIP LITE

Keep it light, keep it breathable. That was the main goal when creating 212's lightest glove on the market. The AX360 Grip Lite is the most cool and breathable glove available today. The 18g shell provides maximum dexterity while the NFT coated palm enhances grip and abrasion resistance.

COOL BREATHABLE MATERIAL

- Breathable 18G Poly/Spandex Chassis
- Reflective Textile to Reduce Heat

ELASTIC CUFF

- Elastic Cuff Keeps Dirt and Debris Out of Glove
- Snug Fit to Ensure Dexterity

SEMI-POROUS, NFT COATED PALM

- Channels Liquids
- Enhanced Grip In Wet/Dry Conditions
- Ultra Abrasion Resistant
