

212 IMPACT LITE

The AX360 IMPACT LITE is the lightest impact glove on the market. An 18g chassis creates a breathable material that keeps your hands cool while the flexible knuckle guard protects your knuckles without sacrificing dexterity. A PU palm coating gives you the abrasion resistance you need to touch, feel and maneuver around small parts. Feel the One Degree of Difference with the all new AX360 IMPACT LITE.

VENTILATED IMPACT PROTECTION

- Ergonomic design for increased flexibility/dexterity
- Ventilated to keep hands cool

ELASTIC CUFF SURE-FIT CUFF

- Ensures a snug fit
- Provides easy on and off access

ABRASION RESISTANT POLYURETHANE COATING

- Provides maximum dexterity
- Increased abrasion resistance

FULL PINCH-POINT COVERAGE

- Provides additional fingertip coverage
- Extends the life of glove
