

# 212 IMPACT LITE

The AX360 IMPACT LITE is the lightest impact glove on the market. An 18g chassis creates a breathable material that keeps your hands cool while the flexible knuckle guard protects your knuckles without sacrificing dexterity. A PU palm coating gives you the abrasion resistance you need to touch, feel and maneuver around small parts. Feel the One Degree of Difference with the all new AX360 IMPACT LITE.

### VENTILATED IMPACT PROTECTION

- Ergonomic design for increased flexibility/dexterity
- Ventilated to keep hands cool

### ELASTIC CUFF SURE-FIT CUFF

- Ensures a snug fit
- Provides easy on and off access

### ABRASION RESISTANT POLYURETHANE COATING

- Provides maximum dexterity
- Increased abrasion resistance

### FULL PINCH-POINT COVERAGE

- Provides additional fingertip coverage
- Extends the life of glove
